

## Liste des revues AERES pour le domaine

### SCIENCES DE L'ÉDUCATION

(Mise à jour le 01/05/2011)

*Pour de nombreuses disciplines de Sciences humaines et sociales, la production de livres reste la forme majeure de l'œuvre scientifique. Parallèlement, la multiplication des revues constitue aujourd'hui un outil essentiel d'animation et de diffusion permanentes dans le milieu de la recherche.*

*Des commissions disciplinaires regroupant des représentants des sections du CoNRS et du CNU, des membres de l'IUF, des personnalités qualifiées étrangères et les délégués scientifiques de l'AERES ont été constituées en 2008 ; elles ont abouti à l'élaboration des premières listes, publiées sur le site de l'AERES, actualisées pour ce domaine en octobre 2009, juin 2010 et mai 2011.*

*Ces listes ne constituent pas un cadre contraignant et l'appréciation de la qualité des travaux par les experts reste le critère primordial d'évaluation.*

#### Membres de la commission d'actualisation

Ont ainsi participé à la commission d'actualisation de la liste Sciences de l'Éducation :

- Chantal AMADE-ESCOT, Université de Toulouse 3
- Jean-Marie BARBIER, CNAM, Président 70<sup>e</sup> Section du CNU
- Marc BRU, Université de Toulouse 2
- Joël LEBEAUME, Université Paris Descartes, Délégué scientifique AERES
- Jean-Louis MARTINAND, ENS Cachan
- Denis MEURET, Université de Bourgogne, IUF
- Yves REUTER, Université de Lille 3
- Bernard REY, Université Libre de Bruxelles

#### Modalités d'élaboration de la liste

La commission d'actualisation de la liste des revues des sciences de l'éducation de l'AERES a précisé pour l'année 2010-2011 le périmètre des revues prises en compte dans la détermination de la qualité de « produisant ». La liste suivante présente les revues retenues pour l'évaluation des laboratoires en sciences de l'éducation. Elle comprend deux catégories :

- La première, la plus importante, regroupe les revues considérées comme « référentes » pour le champ des recherches en sciences de l'éducation ; tout article publié dans l'une de ces revues est *a priori* comptabilisé jusqu'à la prochaine actualisation de la liste.

- La seconde catégorie regroupe les revues considérées comme étant à « l'interface » entre le champ de la recherche et le champ des pratiques professionnelles; tout article publié dans ces revues n'est pas *a priori* comptabilisé, mais pourra éventuellement l'être si le laboratoire estime qu'il relève d'une publication scientifique. Dans ce cas, il lui revient, à la demande du comité de visite, de fournir le document écrit pour une expertise qualitative de son contenu.

Remarque : Lorsque les revues ont changé de nom ou fusionné, elles sont indiquées entre parenthèses et seront prises en compte.

Pour les travaux effectués dans d'autres champs disciplinaires, il convient de se reporter aux listes établies par les commissions d'actualisation correspondantes. Le travail régulier des commissions aboutira à des révisions annuelles. Les directeurs qui souhaiteraient voir leur revue intégrer la liste doivent s'adresser au Délégué scientifique coordonnateur adjoint SHS à l'AERES chargé de l'actualisation des listes de revues, [Jean-Paul Barrière](#), qui transmettra au Délégué scientifique du domaine concerné, et lui fournir toutes les informations qu'ils jugeront utiles afin que la Commission étudie leur demande.
